

Internet Enterprise - Advance

Guaranteed corporate internet connectivity

We understand that your business internet bandwidth requirements vary. Be it the financial end of the month, a trade conference, extra guests, or just your normal business peaks and troughs – our Advance option will help meet your bandwidth needs by providing on-demand internet. Furthermore, you don't need to commit to heavy monthly bundles; just add the service and pay only for the extra you use.

Service Features

- Double your existing Internet Enterprise link and enjoy full dedicated guaranteed bandwidth
- Six plans to choose from with speeds ranging from 1 Mbps to 32 Mbps
- Expand your internet bandwidth at any time during the month
- Service is applied as an add-on to Ooredoo's existing Internet Enterprise service
- Delivered over Ooredoo's fibre network
- Multi-year contract availability
- Convenient monthly payment to add the service and pay extra only when data is required
- Static IP Address availability

Customer Benefits

- Freedom and flexibility to increase speeds when required
- Bandwidth is guaranteed and available when your business needs it
- Simple straightforward pricing that is transparent
- Interval based pricing that offers granularity and freedom to expand
- Ability to add to your existing Internet Enterprise connection
