### Conditions

- (1) FUP Policy: Fair Usage Policies limit the usage of "heavy" or "excessive" users at peak times. These restrictions are in place to ensure that the best quality broadband service is available to the maximum number of internet customers at all times.
- (2) The OpenZone concept: Businesses opting to purchase the WiFi Professional plan will allow Ooredoo to share their WiFi resources to create an additional WiFi Hotspot within the same proximity in future, beside the hotspot that is dedicated to business' own customers.
