## 1 General

- 1.1 This Annex D 'Contact Points' lists the contact points for both Parties related to Interconnection and the Services provided under this Agreement. This Annex will be regularly updated at the operational meetings.
- 1.2 Either Party may amend their contact information within this Annex if required, with one (1) week prior notice to the other Party. In exceptional cases, either Party may make changes to the contact information without prior notice but must inform the other Party as soon as reasonably possible. The case(s) for exceptional circumstances shall be agreed between the Parties during regular operational meetings. Where either Party has made changes to the contact information without prior notice to the other and where the other Party before being notified of the change has sent any notice to the old contact information the Party making the change cannot claim that the notice sent to the old contact has not been valid for any purposes whatsoever.

## 2 Operational Meeting Contact Points

- 2.1 The Parties shall meet within one (1) month of commencement of the Agreement to establish operational processes and procedures necessary, including updating the contact details in Clause 3, 5, 6 below, to ensure that obligations of both Parties under this agreement are fulfilled.
