After compliments,

This is in reference to Omantel New Access and Interconnection Agreement ("the Agreement") which was signed by both parties on April 14, 2019, whereby we agreed to have a side letter in order to make this a reciprocal Agreement, that means using the same Agreement Omantel and Ooredoo can be a Requesting Party and Providing Party at the same time.

As discussed, we are hereby issuing this letter to document the recently agreed mutual changes that shall become an integral part of the Agreement.

Both parties hereby agree on the following;

1. Reciprocity of the Agreement

- All the prices, terms and conditions of the Agreement are reciprocal. This means that Omantel and Ooredoo will be simultaneously considered as the Providing Party and Requesting Party under this Agreement.

2. Bank Guarantee

- Netting-off principle shall be applied on the calculated bank guarantee amounts for both parties with the purpose of arriving at a single bank guarantee to be provided by the net payer.
